Guidance Counselor

October 1, 2021

To Whom It May Concern:

Ms. Meghan Wald student taught with me for 8 weeks in the Spring of 2021 at Catasauqua High School in the Catasauqua Area School District. Ms. Wald worked with students in grades 9 - 12 teaching Concert Band, Chorus, Digital Music Composition, and Guitar.

During her time in Catasauqua, Ms. Wald developed a very good rapport with the students that allowed her to produce positive results in the students' learning of music. Ms. Wald has a professional quality in her work and also has the ability to communicate with students in this age group and get the positive results necessary to keep students interested and engaged in their learning, playing, and singing.

Ms. Wald is confident in her musical abilities and knowledge of the various aspects of music and was able to provide appropriate instruction to all of the students in the various disciplines, classroom and performance groups. He also used effective teaching methods to achieve the necessary learning outcomes in all aspects of the program, classroom and performance.

Ms. Wald is intelligent and effective in her ability to deliver instruction and guide students through the lessons and learning necessary to master their instrument, voice, or content. I feel that Ms. Wald would be an attribute to any school music program, especially in instrumental and group ensembles.

I highly recommend her for any music education position that may be available in your school district.

Sincerely,

Robert J. Arnold
Catasauqua High School
Music Director

The mission of the Catasauqua Area School District, in partnership with our community, is to achieve educational excellence and promote life-long learning.
